Dear Mr. Hairsten,

On behalf of CITY House, I would like to express our gratitude to you for your donation of time and resources in help with our plumbing.

Each year CITY House serves one hundred and eighty youths who have left their homes due to neglect, abuse, abandonment, running away, or severe family conflict. The goal of this program is to work with the entire family, whenever possible, to help resolve conflicts and reunite the child and parent(s) as quickly as possible. If their home is not a safe alternative for the child to return to, we work with the guardians until a safer placement is found.

We rely on caring individuals like you so we can provide all of our services at no cost to those in need. Your partnership with Collin Intervention To Youth, Inc. sends a message of safety, help, and hope to our kids.

THANK YOU FOR YOUR SUPPORT!

Sincerely,

Jeanine Alpert, LMSW-ACP
Executive Director
